

Environmental Policy

Emirates Supply Chain Services (Pvt.) Ltd. will ensure the conservation of natural resources while minimizing any adverse environmental impact from our operations, including, but not limited to, waste reduction. We aim to review our environmental policy regularly to improve our performance. All employees are made aware of this policy and their responsibilities for environmental issues.

Our principle environmental commitments are:

- Comply with all legal and other requirements related to its services, activities and their environmental aspects.
- To use energy and natural resources efficiently and to reduce consumption where possible.
- To minimize the generation of waste and to dispose of unavoidable waste in a responsible manner.
- To consider the environmental implications of changes to services, materials, processes and facilities when business decisions are made.
- To continually improve our environmental performance through the setting and review of realistic and achievable objectives and targets.
- To reduce emissions to levels at which adverse impacts on the environment are avoided.
- To conserve and protect the environment and, wherever possible, improve it through the services we provide.
- To operate in a socially responsible manner.
- To perform business electronically, to reduce paper usage.
- To always seek to purchase products that are environmental friendly, re-usable, recyclable and that do not damage the environment.
- To design, operate and maintain our equipment to the highest practicable standards in order to meet our environmental objectives and targets.
- To provide appropriate resources for the implications of this policy.

This policy is implemented through our “Integrated Management System” and changes to this policy are driven by audit results, changing circumstances and the commitment to continual improvement. Providing appropriate training ensures staff awareness of this policy. This policy is communicated to all stakeholders and displayed for information purposes and is also publicly available. The policy is reviewed at defined intervals for continuing suitability.
